

CALL FOR PANELS

SUBMISSION DEADLINE: APRIL 23rd, 2019

OCTOBER 29-30, 2019 | HOLIDAY INN MUNICH, CITY CENTRE

The Design and Verification Conference & Exhibition Europe (DVCon Europe) is the premier conference for the engineering community active in system, software, design, verification, validation or integration to share the latest methodologies and technologies on the practical use of EDA and IP languages and standards for integrated and embedded systems and products.

The focus of this highly technical conference is on the industrial application of specialized design, verification and validation methodologies, design and verification languages such as C, SystemC, SystemVerilog, UVM, formal and assertion-based verification; the use of AMS languages; design automation using IP-XACT and the use of other general purpose languages.

Industry applications of interest are (but not limited to) automotive, mobile communication, aerospace, healthcare, chip-cards, consumer and power electronics.

DVCon Europe solicits submissions related to advanced design and verification on special interest areas such as Digital Twin, Machine Learning, Internet-of-things and Functional safety and security.

PANEL PROPOSAL

DVCon Europe is planning to host two highly focused technical panel discussions. DVCon Europe is looking for panels that are lively, controversial, and provoke discussion on a specific topic of interest to the community. Panel sessions should not consist of paper presentations, but should have plenty of discussion engaging the audience. Panels are scheduled for one hour on October 29 or 30. DVCon Europe will select which day the panels will be presented. Please make sure that moderator and panelists are available on the day before the panel for a final sync up on the panel.

DVCon Europe will attempt to work with the original organizer in refining the panel, but if this is not successful, another organizer may be appointed. If multiple panel suggestions are submitted with similar topics, the committee may choose to accept one over the others, to merge the proposed panels, or to reject all of them.

CONFERENCE SCHEDULE

October 29, 2019: Tutorials & Exhibition

October 30, 2019: Technical Paper Sessions, Poster Session, & Exhibition

PANEL SUBMISSION PROCESS

Proposals should be 1-2 pages in length and should contain:

- The topic, if possible formulated as a provocative question
- The issues to be discussed, including a short listing of pro and con arguments
- Short biographies of the moderator and prospective panelists
- Any special requirements

PANEL SCHEDULE

- **April 23, 2019:** Panel proposals due
- **June 11, 2019:** Accept/reject notification Accepted panel organizer, moderators and panelists will be invited and agree to do the following:
 - Submit the final version of the Panel
 - Register for the conference
- **July 17, 2019:** All panel content due for Conference Program and website: panel title, abstract, panelist names, affiliations, and biographies
- **October 29-30, 2019:** DVCon Europe 2019 conference

Feel free to contact Jackie Sweet at jackie@mpassociates.com for questions on the submission process.
