NAVIGATING THE PLATFORM

Visit http://dvcon-europe2020.org/ & use the login details provided. Please change your password once logged in.

You will see the welcome page which includes a message from the chairs and general conference information.

On the left-hand side, you will see a menu.

Use the Schedule tool to view the full program by day.
Click on the session that you are interested in to either view the LIVE link, or watch the content ON DEMAND. Only poster presentations will be available before the live sessions take place. Recorded sessions will be available within 24 hours after the event.

Use the red buttons to be directed to the Zoom link if the session is currently live. You can see the order of presentations and the Session Chairs listed on this page.

There will be two Zoom links – one will direct you to open the application. If you have restrictions regarding Zoom, the other option will link you to open the Zoom session within your web browser.

**Keynote: I Like Being Surrounded By Good Ideas: Any Good Ideas We Can Borrow From The Software World?**

Oct 27, 09:00am CET to Oct 27, 10:00am CET  
Add to calendar  
2 views
When you click on a presentation, you will see the pre-recorded video (once live session passes) & presenter information.

The paper & slides (if provided) will be under the ‘Paper’ and ‘Media’ tab.

Use the ‘Conversation’ tab to ask a question asynchronously to the presenter. You will also have this opportunity during the live Zoom sessions.

Use the ‘Attendees’ tab to search for other attendees, view their profile, and email them directly.
JOINING LIVE SESSIONS TO PRESENT

If you are a speaker, you should have received the Zoom link to your session via email. You will also be able to find the Zoom link within the virtual platform using your login credentials.

At the start time of the session, click on the Zoom link to join (there will be an option to join via web browser and to join via application) and the Zoom app will be launched. Make sure your Zoom name matches the name on your registration and in the schedule.

You will need to be registered in order to attend the live Zoom sessions. Moderators will be monitoring the participants list and comparing to the registration list, and will reach out if you are not registered. There will be a waiting room feature, so participants will be let in a couple minutes prior to the session start time. Presenters should join 10 minutes early.

For lecture sessions, Session Chairs will be introducing each paper, and when your talk is introduced you may unmute, share your screen, and webcam. **NOTE:** You should plan to present live and the pre-recorded videos will only be used if there are technical difficulties or if that was indicated as your preference.

Once in the Zoom session, you will see a menu at the bottom with Participants, Chat, and Share Screen.
You can use the Participants box to see others in the meeting, or the Chat window to ask questions or make a comment.

Note: Questions can be asked either via Chat, or live if an attendee uses the ‘Raise Hand’ feature.

When you start your presentation, you will need to hit ‘Share Screen’ at the bottom and select your slides or window you’d like to present. Check the ‘Share computer sound’ option if you have any videos or sound in the slides.

You can also share your webcam video while presenting.

Thank you for participating in DVCON EUROPE 2020! Let us know if you have any questions.
